

Join the Truman Club on **Thursday, May 7***
to hear (and talk to) two of the the most overlooked people
in California politics (according to calnewsroom.com)

**Note: the date has been changed from April 30 to May 7*

Shawnda Westly, Executive Director of the California Democratic Party &
Angie Tate, Chief Financial Officer of the California Democratic Party

Shawnda is John Burton's most loyal and trusted adviser. In 2012, California Democrats gained their first super-majority in both houses of the state Legislature in more than a century and picked up six seats in the House. Shawnda, and her team at the California Democratic Party, deserve much of the credit.

Angie prides herself on being behind the scenes. Anyone who has worked with Gov. Jerry Brown or the California Democratic Party knows that she gets things done and can manage a dime better than anyone. The Governor and other top Democratic politicians relied on Angie's fundraising prowess in 2010 and 2012.
